

Clem Borkowski and ASI Capital Secure New Headquarters Lease for Air Methods

ASI Capital's managing partners Clem Borkowski and Sean Hawkins congratulates its portfolio property at 5500 Quebec St for signing a 62,124 sq. ft. long-term lease with **Air Methods**, securing the company's new corporate headquarters in Greenwood Village, Colorado; a suburb of Denver.

Air Methods, an air medical transport organization, will move their offices and employees to Northstar Commercial Partner's 5500 S. Quebec Street building located in the Denver Tech Center. Northstar acquired the 204,945 sq. ft. building in 2015 and has continued to successfully lease the property from its nearly vacant state in 2016.

"The team at Air Methods has been wonderful to work with for many years. We're thrilled that they have decided to move their company to our Quebec location and truly look forward to working with them in the future," remarked Chairman & CEO of Northstar Commercial Partners, Brian Watson.

Air Methods delivers lifesaving care to more than 100,000 patients per year.

ASI Capital, LLC

ASI Capital, LLC, a private debt and equity firm based in Colorado Springs, CO, helps individual investors invest with confidence in the 'real' economy. We offer access to investments based on alternative strategies – investments that fall outside the 'traditional' stock and bond markets.
